1,000 Sq Ft

Features

- Customized logo bar stools
- Saved customer cost with quality budget dining chairs

Project Duration

June 2010 to Present

Project Overview

Triple C Brewery is a Charlotte, NC, based craft brewery, started in July 2010. The project involved seating for the brewery's popular tasting room. A custom look was achieved by laser cutting their logo in the back of the bar stools, while more cost-effective chairs were blended in to meet the tight budget parameters.
